A special trip to Felitto, in the heart of the Cilento's National Park and Vallo di Diano from 3 to 8 person for time (or two group of 8 person with two shuttle bus or one)

Come and discover the places of your ancestors, remained intact over time. Here is where they start their life, with all their habits, their idioms, memories and the tradition of the food you love so much. They handed down all these features from generation to generation and brought them in the new continent.

If you would like to have information about your origins, there is the chance to start your own genealogical research well in advance of your arrival, as a result of information provided. In this way, you would release your genealogical documentation during your visit to the village without stealing time to your tour through the village.

Furthermore, on the schedule there are short but intense visits with the possibility to taste local products based on the Mediterranean diet, at the same time you will be able to enjoy the country's natural and historical landscapes.

Felitto is a high tourist attraction place for nature, trekking and wild areas lovers. It's is a peaceful place, far from the usual mass tourism.

All the visits will be in English, accompanied by local connoisseurs.

This program is obviously only indicative and editable as well as your necessities and desires.

Please, tell us date and time of your journey so that we can provide you a precise program and its price.

Don't be shy if you have more wishes you would like to accomplish. We will do everything possible to make your trip memorable!

This program could vary with the schedules and itineraries according to your needs of the moment, so it is indicative, on the spot, according to your wishes, it could be modified with different price, (plus or less depending of the days and other)
